

# SPECIALTY EQUIPMENT

## E85

Leading Manufacturer of fuel dispensing equipment that is specifically designed for E85 fuel. E85 is clean, environmentally friendly fuel that is a blend of 85% ethanol and 15% unleaded gas. This blend of fuel reduces harmful hydrocarbon and greenhouse gas emissions and is rapidly becoming the alternative fuel in the petroleum industry.

## BIODIESEL

We have developed fueling equipment for aggressive blends of BioDiesel fuels. Standard fueling equipment can be vulnerable to higher concentrations of Methyl Oleate, so Catlow has incorporated more resilient elastomers giving us the ability to warranty its reliability.

## COLD WEATHER

Our proven fueling product line and incorporated special features to adapt to extreme cold operating temperatures.  
NOZZLES  
SWIVELS  
BREAKAWAYS  
Engineered for cold weather service  
Proven reliable at -40 degrees.

# Catlow Hanging Hardare Product Line Delivering Superior Value

# STANDARD & HIGH FLOW DISPENSING EQUIPMENT

## ELITE

The ELITE automatic shutoff, 3/4" inlet nozzle is designed for retail and commercial fueling sites. Available both self-serve and pressure -sensitive (no pressure, no flow) models. The ELITE features a user friendly "one-hand" hold-open latch.

Application: Auto Gas & Auto Diesel

## MAX 1"

The MAX 1 automatic shutoff, 1" inlet high flow diesel nozzle is designed to meet the rugged demand of the commercial industry. Available in both self-serve and pressure -sensitive (no pressure, no flow) models. The MAX 1" features a user friendly "one-hand" hold-open latch.

Application: Truck Diesel

## CAMTWIST Breakaway

Powerful magnets make our CAMTWIST Breakaways UNIQUE! Engineered with precise pull force to separate and easily reconnect. Patented technology allows the breakaway to be twisted apart for on-site maintenance & inspection which eliminates the need for a "remove-by" date. Available in sizes of 3/4", 1", and M34 (vac assist) thread.

Application: Auto Gas & Diesel, Truck Diesel & Vac Assist

## TWISTER Swivel

The TWISTER swivel raises the level of swivel flexibility with two 360 degree rotating planes. Designed with special seals protecting this heavy duty swivel from extreme cold weather conditions and blended fuels. Available in 3/4" & 1".

Application: Auto Gas & Diesel, Truck Diesel

## CONTROLLER II Combo

The Swivel-Magnetic breakaway is a combo unit composed of our signature CAMTWIST with proven Magnetic Technology, and a swivel added on top for additional flexibility. It connects directly to the fuel nozzle, eliminating the need for a whip hose assembly. Available in 3/4" & 1".

Application: Auto Gas & Diesel, Truck Diesel

## STRAIGHT Swivel

The STRAIGHT SWIVEL eliminates kinking and twisting of the hose, adding flexibility to the nozzle while dispensing fuel. Available in 3/4", 1" & 1-1/2".

Application: Auto Gas & Diesel, Truck Diesel

# VAPOR REC / VAC ASSIST DISPENSING EQUIPMENT

## Vac Assist CAMTWIST

We have taken our proven CAMTWIST magnetic breakaway and designed this breakaway for vapor recovery applications. With our CAMTWIST magnetic breakaway, aligning and reconnecting is easy. Align the two halves together, while pushing the unit back together. It is that easy!

## Vac Assist Nozzle

The ICVN (Inverted Catlow Vac Assist Nozzle) is a Stage II Vac-Assist Vapor Recovery nozzle. It is approved to meet CARB & EPA regulation for air quality. Its lightweight design yet rugged reinforced spout tip make the ICVN a smart reliable choice for retail fueling in Vapor Recovery mandated areas.

# ASSEMBLIES

Customized bundling with dispenser

Fewer touches and logistics = cost savings  
**Save on Shipping**  
**Save labor on assembling**

No need to source with separate providers  
**Save on inventory management**

Factory pre-assembled  
Ease of making one connection into the outlet casting of the dispenser upon startup

Prevent accident due to installation error  
Sold as a bundle with Dispenser to ensure compatibility  
Pressure and Leak tested to avoid leaking  
**over 5% saving with reduced failure rate**

Catlow products are supported with world class customer service with 40 years of industry experience, making Catlow the best choice for your hanging hardware assembly needs

Full and Lower Cat-tail Assemblies Available

Bundled with Gilbarco Dispenser
