

PREVENTIVE MAINTENANCE That Pays

Quick Clean Kit for Dispensers and Hanging Hardware

Extend equipment life, reduce downtime, and boost customer loyalty

1 Surfaces & Hanging Hardware

- Easily removes stubborn diesel and gas residue from nozzles and hoses
- Formulated for use on all Fascia to remove stubborn buildup
- Nonflammable, non-hazardous, gentle on the skin and doesn't require PPE for use

2 Screens & Keypads

- Remove fingerprints and grease from your monitors and screens while providing a final streak-free shine on interactive surface
- Formulated for touch screens, displays, and device fascia, this wipe removes dust, dirt, germs, and viruses prior to disinfecting

3 Card Readers

Dirty card readers lead to:

- Card Rejection
- Reader Error
- High Failure Rates

Single-use pouches have everything you need to clean one Dispenser. Clean weekly to protect your investment.

Kit Contents:

- 2) Card Reader Cleaning Card
- 2) Equipment Fascia/Nozzle/Hose Cleaning Wipe
- 2) Screen Cleaning Wipe
